First Presbyterian Church (USA) Barre, VT

Welcome!

Who We Are

Our church seeks to be a portal through which God works to make disciples of Jesus Christ. In this church, we experience Christian community as

we walk our spiritual journey with others. As disciples, we are strengthened by God's Spirit to live out God's love in word and deed.

First Presbyterian Church is part of the [Presbyterian Church \(USA\)](#) and we are a congregation in the [Presbytery of Northern New England \(PNNE\)](#).

We Welcome All People

We hope that you will feel both inspired and welcome as you come into our space!

Come with your questions and your concerns.

Come with your certainty and your doubt.

Come with your joy and your sorrow.

Come and find God here.

"For where your treasure is, there your heart will be also." Matthew 6:21

Stewardship is about sharing our time, talent, treasure, and testimony.

Like many churches, the Windham Presbyterian Church asks its members and friends to support the church with ongoing contributions and an annual Faith Commitment. Our Faith Commitment process takes place at the end of the year. New members and those who did not make a Faith Commitment at the end of the year can make a Faith Commitment at any time during the year.

Establishing a Faith Commitment and making one time gifts help the church determine a realistic financial budget. However, the main purpose of making a Faith Commitment and other contributions is the spiritual benefit it brings to the giver. By making contributions to the Church, we create a strong bond between ourselves and the Church, and this, in turn, contributes to our spiritual development.

To Make a Faith Commitment

Print the 2015 Faith Commitment Card and mail it to the church or put it in the offering plate. All Faith Commitments and contributions are handled in a confidential manner

Giving to the Church is easily done using the traditional or electronic giving process. If you wish to contribute stock or similar assets or for other specific questions about making contributions to WPC, please contact the Church Office.

All contributions are fully tax deductible and you will receive a statement summarizing your giving.

IMPORTANT CONSIDERATIONS

- Permission
 - Especially if you are taking pictures of children, but everyone should have the option of opting out of being in a picture posted online
 - Have a policy about photos and videos, how children are identified, and ask people to sign a release form

IMPORTANT CONSIDERATIONS

- Access
 - Every member may not have online access on a regular basis, so be aware of who needs to be contacted in a different way
 - Some people will not interact with certain media formats, so if you are only represented online in one way, you may be excluding them

IMPORTANT CONSIDERATIONS

- Accuracy
 - Your online presence needs to be updated regularly with clear and accurate information about your events
 - You are responsible for copyright issues - follow the law!
 - If you know that online maintenance will be difficult in your context, design a static page that will give you presence without becoming quickly dated

IMPORTANT CONSIDERATIONS

- Encouragement
 - Social media is meant to be social; what message are you sending to those who use it as a way of life?
 - Are you inviting people to check in during events? Encouraging them to post during worship to share their experience? Celebrating involvement through an electronic medium?

YOUTUBE

- You can set up a regular channel or go through a little more work and set up a nonprofit channel
- A nonprofit channel gives you access to more resources and increases the usability of your channel
